

# FLOAT PLAN

Date Submitted: \_\_\_\_\_

A Float Plan that details a boater's destination, time of departure, route and time of planned return can be a valuable tool for search and rescue teams looking for missing boaters. A Float Plan such as the one shown below should be left with a reliable person and the **DRYC PORT CAPTAIN**. FILING A FLOAT PLAN WITH THE PORT CAPTAIN WHEN EVER YOUR SLIP IS VACANT FOR MORE THAN **48** HOURS ENABLES DRYC TO OFFER SLIP ACCOMMODATIONS TO MEMBERS OF VISITING YACHT CLUBS.

*THIS FLOAT PLAN SHOULD BE CANCELLED WHEN YOU RETURN.*
